Speed Vibrations

As an anal shower there is nothing superior, both its cannula and its bulb are made of medical grade silicone, so the insertion is extremely comfortable, avoiding micro-injuries thanks to the flexibility of its cannula, allowing in turn to reach points inside the body difficult to access, we achieve a degree of cleanliness superior to other products.

Anal strip with vibration. Its two engines ensure smooth but intense vibration. The beads will begin to gradually enter into your interior, so that the sensations will vary depending on the depth of the insertion. Its medical silicone touch is flexible, very soft and without any porosity, to ensure greater hygiene and dedicate yourself only to enjoy, it is also submersible. Its grip gives you extra comfort.

Set of three silicone rings to make erections more powerful, more durable and delay ejaculation. Place one at the base of the penis, another around the scrotum and the largest grouping both the scrotum and the penis, and throw yourself to enjoy prolonged pleasure.
